### Issue:

The MTPO has recommended and approved the eastward extension of the proposed SW 24<sup>th</sup> Avenue from SW 34<sup>th</sup> Street to Archer Road through the southern-most tip of University property.

### Committee Charge:

- Identify and assess the potential impacts this proposed road may have on the University's academic and research programs
- Identify or develop measures or alternatives that could mitigate or minimize any impacts this proposed road may potentially create for the University.
