

# VOLUNTEERING IN NATL

Students in clubs and individually, and members of the Gainesville community have been volunteers in NATL. They have contributed greatly to the development and maintenance of NATL. Visit our website or follow the QR code to find examples of projects that you might undertake. If you or your club are interested in volunteering\*, or have other ideas on how you might contribute, send an email to [natl@ufl.edu](mailto:natl@ufl.edu) or post an idea on Facebook <http://www.facebook.com/NATL.UF>.

\*We track volunteer hours, and have UF Faculty who are willing to provide letters of recognition for students who serve at least 80 hours for NATL.
