

Current Plan

Notes

- (1) Each grid intersection is named for its column (A-J) and row (1-12).
- (2) Each 50 x 50 meter area can be named for its northwest corner.

University of Florida
 Natural Area Teaching
 Laboratory
50-meter Grid 9 Feb. 1998

- 1" pvc stake with iron pin (100m intervals)
- 3/4" pvc stake (50m intervals)
