Re: Fence Installation  
Natural Area Teaching Lab  
Regency Oaks Apartments/Archer Woods Apartments  
Project Manager: Chandler Rosear

Dear Mr. Walker:

This letter confirms our phone conversation; the undersigned gives the University of Florida permission to move their fence, which runs east to west on the north side of Archer Woods Apartments, approximately four (4) feet south of its current location.

This consent does not constitute a property line agreement and in no way establishes a property line.

Neither party waives any rights they had prior to the giving of this consent to dispute the location of the property lines.

Please sign and date this letter, acknowledging that this is the only agreement between us.

Sincerely,

Saul Silber
